

Weeghman Purchases Cubs as First Step in Execution of Peace Pact--Lakewood Final To-day

CUBS SOLD TO WEEGHMAN OF CHICAGO FEDS

First Move in Execution of Peace Pact Put Through—Price Not Given Out.

ANOTHER CONFERENCE WILL BE HELD TO-DAY

CHICAGO, Nov. 12.—Peace between the Federal League and organized baseball was brought several steps nearer to realization to-day when Charles P. Weeghman, president and principal owner of the Chicago Cubs, and the Federal League, announced that they had reached an agreement on the terms of a peace pact.

Definite action in the much debated plan to place Weeghman in control of the Cubs, the Wards of the Brooklyn Nationals or the New York Americans, and the backers of the St. Louis Cardinals, and the Federal League, was scheduled to be held to-day at a conference between Garry Herrmann of Cincinnati and the local Federal League, this making more than half a dozen meetings that the two have held to work out a peace plan.

Official announcement of the sale of the Cubs was made to-day, however, owing to the fact that several details have to be worked out before the formal announcement is made. Weeghman and Charles P. Taft, principal owner of the Federal League, are scheduled to meet in Cincinnati in the next few days, and the formal announcement is to be withheld until December 1, according to the plan.

Mr. Taft was expected to attend the conference to-day, but he failed to arrive. Edward Plummer, who accompanied Herrmann, was the spokesman after the meeting. He announced that Weeghman and Taft would conduct further negotiations between themselves.

"There are several minor details to be arranged," he said, "and nothing will be given out until December 1. Weeghman has been acting in an unofficial capacity and has completed his labors with Mr. Weeghman."

Weeghman was reached by telephone at his home to-day and he practically affirmed the deal whereby he is to become the owner of the Cubs. One statement made by him gave the impression that the Chicago Federal League club and not only be alone, but also be in the purchase of the West Side team.

"There are several details to be completed before transfer of stock is made," said Weeghman, "and nothing will be given out until December 1. Weeghman has been acting in an unofficial capacity and has completed his labors with Mr. Weeghman."

Weeghman refused to say whether the Cubs would be moved from the West to the North Side. It is pretty generally understood in Chicago that the Cubs will be moved to the North Side, probably to the grounds of the third circuit, including that on the North Side, Chicago.

The information that Murphy held 52 per cent of a controlling interest in the Cubs, despite the fact that he had disposed of his holdings, came, it is said, from a man closely associated with Murphy. These revelations make Murphy and James Gilmore, president of the Federal League, who is now in charge of the sale of the Cubs and the transfer of that team to the North Side, Murphy is adverse to taking the Cubs from the West to the North Side, Chicago.

Weeghman and Herrmann, who is supposed to be the intermediary between organized baseball and the Federal League, met to-day at the Congress Hotel and it lasted only a short time. Then Weeghman rushed to the Chicago Athletic Association, where he is supposed to have met President Gilmore, George S. Ward of the Brooklyn Feds and other Federal League men. Herrmann also made a hasty exit by a side door, and he sought out Ban Johnson, president of the American League.

After these conferences with the "powers behind the scenes" Weeghman and Herrmann went into session for a second time. While Herrmann declined to say a word about the meeting, he did take occasion to express the belief that, no matter what side of the street, it would not upset the sale of the Cubs.

It developed to-night that one reason Weeghman is holding off in his official announcement of the purchase of the Cubs is his fellow in the Federal League, the Fed magnates will hold a meeting in Chicago November 28.

CYCLE TRACK READY TO-DAY

Riders in To-morrow's Sprint and Six Day Race to Practice on It.

The big wooden saucer on which the bicycle sprints will be run to-morrow night and the six day race, which will be completed this afternoon and the riders will get their first chance to have a workout. The amateurs will have the use of the course for three hours from seven until 10 o'clock to-night, to acquaint themselves to the steep banks of the track. The professionals will be allowed to test the track this afternoon as a warm-up for the race to-morrow night.

The features on the card of sprint races will be run to-morrow night as an eye opener to the long race is a team event in which Caesar Moretti and Francesco Carri, the Italian sprinters, meet Charles Clarke and Joe Fogler, Vert in a trial victory at the Newark Velodrome spring a surprise by doing a lap in 15.4 seconds, equalling Frank McKee's record of 15.4 seconds. The team sprint race will be run in mile heats, the best two out of three to win.

BOTH LEAGUE LEADERS DISCLAIM PEACE PLAN

Gov. Tener and Ban Johnson Say That Responsibility Rests With Herrmann Alone.

John A. Heydler, secretary of the National League, returned from Harrisburg, Pa., where he has been in consultation with Gov. John K. Tener, president of the league, in regard to the league's affairs. The following expression of his views on the peace negotiations between organized baseball and the Federal League was made by Gov. Tener.

"All is serene in the old league. Our people have ceased to worry over the loss, or the threatened loss, of any of their star players. In fact, our club members have come to realize that so-called star players are of exceptional value to their clubs only when they are consistently playing up to their reputations."

"Regarding the movement for adjustment of our troubles in baseball I am only as to what proposition looking to the peaceful end has been received from the Federal League. I am only as to what proposition looking to the peaceful end has been received from the Federal League. I am only as to what proposition looking to the peaceful end has been received from the Federal League."

Ban R. Johnson, president of the American League, added his mite to the peace discussion yesterday by sending the following telegram in response to a request for his views.

"American League is not interested in any peace proposals. Mr. Herrmann is in conference to-day with some of the Federal League club owners. He is acting purely in an individual capacity. Our organization has nothing to concede and has no special concern as to what may be done."

BOSTON IN HOCKEY LEAGUE

Five Teams Enrolled—Seven Men to a Side—Season Opens January 2.

The Boston Athletic Association was admitted to membership in the American Amateur Hockey League at the annual meeting of that organization held at the St. Nicholas rink last night, and it was announced that the club would be one of the features of the coming winter.

Five teams will play in the championship series of twenty games, the St. Nicholas rink, the Boston Athletic Association, the Boston A. C. and the Boston A. A. Sixteen of the league games will be played at the St. Nicholas rink and the remaining four at the Boston Athletic Association rink.

The admission of the Boston club came after a long discussion in which it was admitted that the inclusion of the Boston players in the league would mean a return to seven men hockey, as the six man plan never has been successful. The club was admitted to the league on the condition that the Boston A. A. teams, represented the Boston A. A. at the meeting.

Cleveland to Have Federal Club

CLEVELAND, Nov. 12.—Federal League baseball will be played in Cleveland if the plans of M. E. Bramley and Cleveland capitalists are carried out. The club is to be based on Euclid avenue, opposite East Forty-sixth street. The deal for the property involves over \$500,000. The Federal League has announced that the club will be transferred to Cleveland, where it will be known as the Cleveland Federals.

Cut in Columbia Wrestling Squad

Coach Pendleton made the first cut in the Columbia wrestling squad yesterday and thirty-three candidates were retained. The men still on the squad are Littauer, the junior metropolitan standing broad jump champion, who scales over 1200 pounds; Joe Shimmom, a promising lightweight grappler; Pascarella, Schwann, Almee, John, Conlin, De Mura, Gibson, Goodman, Meyer, Montomery, Seigel, Sullivan, Titt, Williams, Wise, Rosenthal, McMillan, Hutton, Bijur, O'Brien, Howry, Laudon, MacCarthy, Allen, Wersebe, Bernstein, Schmidt, Olmsted, Fishman, Lapela and Windnitz.

Clubs Open Trap Shooting Season

An exhibition by a squad of experts will open the trap shooting season at the Dunwoodie Country Club to-morrow. The club is open to members of the Dunwoodie Country Club and the members of the trap shooting committee at Dunwoodie and they are making special efforts to increase the interest in the sport at the club this year.

MINORS NOT TO HAVE MAIN ON COMMISSIONS

Motion Beaten 20 to 3—Toledo to Get Club Back—Barrow Tries to Cover Up.

OMAHA, Neb., Nov. 12.—Despite promises by Ban Johnson and Garry Herrmann that the minor leagues were to be in at any settlement of the baseball war, nothing of the kind is to take place. The minors decided to-day not to ask representation on the National Commission and the major league owners refused to give a free hand to deal as they will with the minors. Whipped to a standstill by the majors, the minor league magnates conferred to-day their fourteenth annual conference and most of them decided to go home to-night without having enacted the legislation which was demanded by them almost unanimously previous to the arrival in Omaha Tuesday of Johnson and Herrmann.

NEXT MEETING ON COAST

The constitutional revision committee brought before the convention without recommendation resolutions to rearrange the board of arbitration and to give the minors a place on the National Commission. After a two hour debate in which Tierney of the Three-I and Helton of the Central League led the opposition, the revision was turned down by a vote of 20 to 3, a number of proxies being produced and voted by the opposition.

The Cleveland American Association Club probably will be moved back to Toledo before the opening of the season. Ebbets of Brooklyn told the convention, "I have no objection to the Central League, but I am not going to stand for a reduction in players' salaries and player limits in these organizations. The Central League led the opposition, the revision was turned down by a vote of 20 to 3, a number of proxies being produced and voted by the opposition."

Next year's convention will be held in San Francisco, the magnates being guests of the Pacific Coast League. The sale of the Cubs does not assure that peace, which can come only by one or the other being whipped out or eliminated by purchase. The sale of the Cubs does not assure that peace, which can come only by one or the other being whipped out or eliminated by purchase.

"Peace efforts on the part of organized baseball are all because of the International League. The best of the league is not good, but it is not as good as the Federal League. The sale of the Cubs does not assure that peace, which can come only by one or the other being whipped out or eliminated by purchase."

Bowl No Blessing to Yale's Alumni

YALE men are not going to be thoroughly satisfied with the distribution of tickets for the Harvard game in the new bowl if the early indications prove correct. For it does not appear that graduates will benefit much, as far as having good seats is concerned, by the increased capacity of the bowl over the old stands, an increase of 30,000 seats. Tickets that were reserved yesterday were at the extreme end of the bowl, even further from the centre of play than grads have been before.

CUBS OF HARVARD AND YALE MEET TO-MORROW

Blue Freshmen Have Slightly Better Record, but Crimson Youths Are Improving.

The Harvard and Yale freshmen will have it out at New Haven to-morrow. The Yale freshmen have eliminated the Princeton team from the field of aspirants for top honors among first year eleven, and Yale has slightly the better record. The Harvard freshmen have a slightly better record, but the Yale freshmen have a slightly better record.

PRINCETON TEAM HAS LAST HARD PRACTICE OF SEASON

Light Signal Drill To-day Will Conclude Work for Yale Game To-morrow--Glick Drills at Both Quarterback and Halfback.

PRINCETON, Nov. 12.—Princeton's practice this afternoon virtually concluded the preparation for the Yale game and for the season, a light signal drill being the only thing on the programme for to-morrow. Coaches Hart and Pentfield took the players in hand to-day and after a short drill in fundamentals the scrub eleven which has been taught the Yale plays was brought on the field to try them against the regulars. It was not a real scrimmage. Both teams merely walked through the plays, the emphasis being placed on showing each man where he belonged and just what his duties were. This diagnosing of the Blue offense lasted for almost half an hour, and then Hart took charge of the variety for signal work.

All the regulars were in their places. Even Glick, who has been on the side lines this week, went to his regular place at halfback. He worked out there for the greater part of the time, but toward the end he was sent to quarterback in place of Ames. The coaches realize that they must have a second string for quarterback on whom they can depend in case of injury to Ames, and Glick seems to be the probable choice. Tibbott and Briggs were the other backs, and Dickerman took Glick's place when the latter went to quarterback.

The line was just the same as the one that faced Harvard, with the exception of right end, Brown having replaced Shea. Highly with Brown and Lambertson with the line, and the best pairings of the line were made. McLean was Capt. Ballin's running mate at tackle and will be on Saturday, for Bigler went to the infirmary to-day with a second attack of blood poisoning. He was there for several days after the Dartmouth game and was discharged as well, but the poison made its appearance again to-day. Whether or not he will be fit to play on Saturday is not known now. Scheek, E. Trenkman and Gannett were the centre trio.

The underclassmen are supporting the team to the utmost and there was a record attendance at to-night's mass meeting in Alexander Hall, which was addressed by Coach Pentfield and Eddie Hart. To-morrow the Princeton team will meet the Dartmouth team in the formal dedication of the new structure and to practice cheers. Edgar Palmer, the donor of the stadium, will make a presentation speech and President Hubert will accept it on behalf of the university. While Dean Maclean will represent the athletic association.

Yale Runs Through Signals. NEW HAVEN, Nov. 12.—Light drill was the order of the day at Yale Field, where the Eli players had their final workout to-day before the Princeton game, and an hour was devoted to a stiff signal practice, in which the varsity was driven up and down the field, using all its formations. Everything went satisfactorily and the first team lined up as follows: Left guard, Conroy; center, White; right guard, Walden; right tackle, Betts; right end, Stillman; quarterback, Wilson; halfback, Knowles; fullback, Legore. This is the way the Yale team will start against the Tigers.

Following the signal drill the squad spent ten minutes tackling the dummy. The team will leave to-morrow morning for New Brunswick, N. J., Saturday morning the team will take light exercise in the New Brunswick Country Club. To-morrow afternoon the men will be taken in machines to Palmer Stadium, where signal practice will be held until 5 o'clock.

Harvard Regulars Kept Hard at It. CAMBRIDGE, Mass., Nov. 12.—Harvard had a real old fashioned scrimmage this afternoon. Occasionally the coaches stopped the play to instruct the varsity players, but most of the time the two elevens were allowed to keep at it hammer and tongs. It was against Haughton's usual principle to allow such hard work so late in the season, but it is believed that many of the regulars will go to Princeton to see Yale and the Tigers Saturday, and accordingly they were due for a good workout this week.

The first string men played without any hitching. Wallace was back in the middle of the line again, but Jeff Coolidge's place continued to be taken by his younger namesake. Jeff cannot play Saturday if he is needed, so the team's doctor says, but he probably will be sent to Princeton. Bradley remained in the backfield throughout the play.

The practice was really a rehearsal of all the Harvard varsity plays, while the teams of all the Yale tactics they knew. Both teams made a lot of ground, but the coaches stopped the play and turned the teams around whenever either goal line was approached. Harvard not only worked on its line plays, but drilled more or less on forward passes, which have been brought along simply as auxiliaries to the running game. Mahan did some of the kicking, but Brickley was not out for work.

Conklin's Father Makes Him Play. With a full squad out for the first time in two weeks, Coach Conklin had the best of the day's work in the practice yesterday. A forty-five minute scrimmage followed an unusually severe signal drill. The High School of Commerce team furnished opposition in the scrimmage and the collegians had no difficulty in crossing the youngsters' line for six touchdowns. Yale and Dunn were still a bit stiff and proceeded to work this out of their joints at the expense of the Commerce players.

Jack Conklin, who went to his home in Connecticut to rest on Monday, surprised the Harvard men by making an appearance on the sidelines. Jack's sudden return is due to his father, who is a physician and an ardent football fan. Because Vermont will outweigh the game, has not been in uniform all week, and he probably will be kept out of the lineup after a two days absence. Coach Reilly placed the varsity ends on the scrubs and sent play after play at them. There will be no chance of criticism if the ends play as well in games as they did in yesterday's practice.

Reilly Pounds Plays Into N. Y. U. Another hard scrimmage which lasted until after dark was ordered at New York University yesterday. The play from the new formations were not worked out to the satisfaction of Coach Reilly. It was necessary to go over each play several times before the players were used in the scrimmage. A good deal of fumbling was evident and the backs were censured for picking wrong openings.

Some, who were injured in the Union game, has not been in uniform all week, and he probably will be kept out of the lineup after a two days absence. Coach Reilly placed the varsity ends on the scrubs and sent play after play at them. There will be no chance of criticism if the ends play as well in games as they did in yesterday's practice.

MRS. STOCKTON WILL OPPOSE MRS. BARLOW

Favorites Win Way Into Final at Lakewood by Playing Consistent Golf.

LAKESIDE, N. J., Nov. 12.—The final round of the women's invitation tournament at the Country Club at Lakewood to-day and Mrs. H. R. Stockton, Plainfield, and Mrs. Ronald H. Barlow, Merion, will meet in the final round of the field in the qualifying round yesterday their victories to-day seem to indicate that the women golfers are playing more consistent golf this week than the men did here last week, when every round saw the favorites eliminated.

Mrs. Stockton played one close match to-day. In the morning round she had to go to the nineteenth green to beat Mrs. C. J. S. Fraser of Baltusrol, who put in an unexpectedly good light. In the semifinal in the afternoon Mrs. Stockton defeated Mrs. H. Frayne, Dunwoodie, by 3 up and 2 to play. It was a good match, all of the way, and despite the half that made good golf difficult Mrs. Stockton was only a stroke or two over the 36 mark at the conclusion of the round.

Mrs. Barlow began the match play portion of the tournament with a one shot match, in which she defeated Mrs. Percy Ingalls of Essex County by 7 up and 6 to play. Mrs. Barlow's semifinal match this afternoon found her opposed to a sister Philadelphia, Miss Eleanor Chandler of the Philadelphia Country Club, who earlier in the day had beaten Mrs. W. J. Seaman, Richmond County, by 7 up and 6 to play. Mrs. Barlow's match was a close one, but she won by 5 up and 3 to play.

The final match of the tournament was between Mrs. W. J. Seaman, Richmond County, and Mrs. L. P. F. Warner, Essex County, and in the last match in the third round Mrs. J. Eberhard, Essex County, won by 5 up and 3 to play. Mrs. Eberhard's match was a close one, but she won by 5 up and 3 to play.

WEST POINT, Nov. 12.—There was no hard work for the Army team to-day. Scouting a tendency to staleness, the team was sent to the range for practice, and headed by Trainer Harry Tullibee, the whole squad hiked to the mountains, where they spent two hours in the exploration of revolutionary redoubts and caverns in the neighborhood of Fort P. The team will be back in the city to-morrow in final preparation for the game with Maine Saturday.

Dartmouth Leaves to Play Penn. HANOVER, N. H., Nov. 12.—The Dartmouth team left this afternoon at 5 o'clock in two large barges amid the cheers of the student body. The undergraduates marched down the Alumni Field, where the team was practicing. The team was given light practice this afternoon, and after practicing again in New York to-morrow morning will leave Saturday morning for Philadelphia.

MacAuliffe, although he did not accompany the team, was brought down from the hospital long enough to see his team off. Twenty-eight players were taken on the trip.

Indiana Depart for Chicago. CARLSVILLE, Pa., Nov. 12.—The Carlisle squad, numbering twenty-five, left here to-night for the Notre Dame game at Chicago on Saturday. The team was accompanied by the grand stand on to-day and the student body paraded and cheered at speeches from school officials and players. Two practice drills were held, the early morning exercises consisting of only of signals. The afternoon work was devoted to the special chassis and drill, in which Quarterback Welsh showed proficiency in handling the new formations.

Kelly of Lafayette Has Typhoid. EASTON, Pa., Nov. 12.—Again to-day Coach Crowell gave his Lafayette men a long scrimmage. The varsity showed a better advantage and was able to get two touchdowns. Welsh has come from Kelly, but his case has been pronounced typhoid fever, and he will not be able to play in the game against Lehigh. Toll, therefore, was at right end and did the kicking.

Navy Has Final Scrimmage. ANNAPOLIS, Nov. 12.—The coaches drove the Navy team through a long, hard scrimmage this afternoon in anticipation of a hard game against Colby on Saturday. It was the last practice scrimmage of the week, as to-morrow the work will be confined to signals and other details. A number of backs were used this afternoon—Miles and Mitchell at quarter, Hodgett, Craig, Felling, Collins and others at the halves, and H. Harrison and Culbert, the big crew captain, at fullback. Owing to Jackson's improved work, the coaches have decided to allow him to stay at right end.

Reilly Pounds Plays Into N. Y. U. Another hard scrimmage which lasted until after dark was ordered at New York University yesterday. The play from the new formations were not worked out to the satisfaction of Coach Reilly. It was necessary to go over each play several times before the players were used in the scrimmage. A good deal of fumbling was evident and the backs were censured for picking wrong openings.

Some, who were injured in the Union game, has not been in uniform all week, and he probably will be kept out of the lineup after a two days absence. Coach Reilly placed the varsity ends on the scrubs and sent play after play at them. There will be no chance of criticism if the ends play as well in games as they did in yesterday's practice.
